Dear Business Owner / Manager,

The Dr. E. P. Scarlett Music Program is once again hosting their annual **MOONLIGHT KNIGHTS** Gala, Dance, and Musical Celebration on May 12th, 2022. This music filled evening features music students in Grades 10, 11 and 12 coming from all over South Calgary, including acreages and communities south of the city limits.

Local businesses such as yours are being asked for donations for the **raffle/fundraising** portion of the evening. Proceeds from the evening will be used to assist in future expenses of the music program. These expenses include travel to competitions, financial assistance fund, music camps, and equipment for all of the music students.

MOONLIGHT KNIGHTS is a major fundraiser for the Dr. E. P. Scarlett Music Program. The evening includes the choir and concert bands entertaining during the first part of the evening, after which the dance floor comes to life as the student Jazz bands put on a show. This event is always a sold-out affair!

If your business is able to contribute an item or a gift certificate, your business' name will be listed on a bid sheet as well as advertised during the evening's events.

Should you decide to make a donation, please complete the accompanying "RECORD OF DONATION" and attach it to your donation so that we may acknowledge your generosity. The deadline for donations is Thursday, May 5th 2022.

If you require further information, please call:
Krista Lee (403-389-1808) or email moonlightknightsgala@gmail.com

The students, staff and parents associated with the Dr. E.P. Scarlett Music Program sincerely thank you for allowing our students the opportunity to speak with you and for your consideration of this request.
