Sell each 16kg bucket of Bear Tracks Ice Melt for \$3%per bucket. (Every group that sells this product sells it at the same price).

Sell as many buckets as you can! This is a FANTASTIC way to raise money for your band students individually and to support the EP Scarlett Music Program. **Profits per bucket are split as follows: \$8.50 for each student's band account, and \$2.50 per bucket for the general music program fund.** Once sales are complete, funds will be set aside for your student to use for band or choir field trips.

FUNDRAISING LOWERS fees for you and your band student.

Details on where to hand in completed forms & types of payment accepted are explained at the bottom of the order form. We suggest your student takes the spec sheet with them while selling Ice Melt, it will help explain benefits, order due date, and pick up date(s). If you have any questions, please contact Jeroen at Jeroen.pieterse77@gmail.com or 403-888-6895.

Sincerely,

Jeroen Pieterse
